Pre-Conference Nursing & Practical Application Symposium

All NECC Attendees are welcome

Wednesday, October 23rd

Hotel Check In - 3:00 PM

Start of Session - 4:00 PM

4:00 - 6:00 PM Pre-Conference Nursing & Practical Application Symposium

4:00 - 4:10 PM **Welcome & Opening Remarks**
• Abigail Egan, MS

4:10 - 6:00 PM Best Practice Symposium

4:10 - 4:35 PM **Acute Care of Neuro Emergencies**
• Sandra McDonald, APRN

4:35 - 5:00 PM **Dysphagia Screening**
• TBD

5:00 - 5:25 PM **New York State Transitions of Care Pilot Project**
• Ian Brissette, PhD

5:25 - 5:50 PM **Best Practices in Educating Stroke Survivors and their Caregivers**
• Jason Sico, MD

5:50 - 6:00 PM Closing

Following the Pre-Conference Symposium, all attendees are invited to a Sponsored Dinner and presentation by Genentech beginning at 6:30 PM. RSVP is required.

Thursday, October 24th Sessions

8:00 – 9:00 AM Registration, Exhibits & Posters

9:00 -9:15 AM **Welcome & Opening Remarks**
• NECC Chairs: Jeremy Cushman, MD, Thabele Leslie-Mazwi, MD & Brian Silver, MD

9:15 – 10:30 AM Opening Plenary & Keynote Sessions

9:15 - 9:45 AM **Optimizing Regional Systems of Acute Stroke Care: Lessons from the Most Populous City in the US (L.A.)**
• Jeffrey Saver, MD

9:45 - 10:15 AM **Waking Up to an EXTENDED Window: A New TWIST on Patient Care**
• Eivind Berge, MD

10:15 - 10:30 AM Q & A

10:30 – 11:05 AM Coffee Break & Exhibits

11:05 AM – 12:00 PM ISC Highlights

11:05 - 11:30 AM **Pre-Hospital Stroke Detection Technologies: Visors, Sensors & AI - Oh my!**
• Christopher Kellner, MD

11:30 AM - 12:00 PM **The Tipping POINT - Dual Antiplatelet Therapy After Stroke**
• Anthony Kim, MD

12:00 – 1:00 PM Lunch, Exhibits, Posters & Lunch N Learn Sessions

1:00 PM – 1:40 PM Theory to Practice Presentations

1:00 - 1:15 PM **Strategies to Reduce DIDOO**
• TBD

1:15 - 1:30 PM **Strategies to Reduce DIDO**
• TBD

1:30 - 1:40 PM Q & A

1:40 – 2:10 PM Thursday Afternoon General Session

1:40 - 2:10 PM **Science Behind the Screen: Advances in TeleRehabilitation**
• Steve Cramer, MD

2:10 – 2:45 PM Updates from Funded Mini-Grant Recipients

2:10 - 2:22:20 PM **Defining Stroke Recovery Across the Post-Acute Care Continuum**
• David Lin, MD

2:20 - 2:30 PM **High Intensity Tele-Speech Therapy for Stroke (HITTS) - A Pilot Study**
• Sonia Mehta, MS

2:30 - 2:40 PM **Which Road to Recovery? Factors Influencing Post-Acute Discharge Destination - A Delphi Study**
• Joel Stein, MD

2:40 - 2:45 PM Q & A

2:45 – 3:30 PM Breaks, Exhibits & Transition

3:30 – 4:30 PM State Breakouts

3:30 - 4:30 PM **State Stroke System of Care Updates**
• CT- Richard Kamin, MD
• MA - Jon Burstein, MD
• ME, NH & VT - Jane Morris, MD, Tim Lukovits, MD & Matthew Sholl, MD
• NY - David Ben-Eli, MD, Ethan Brandler, MD, Jeremy Cushman, MD & Michael Redlener, MD
• NJ - Mark Merlin, MD
• RI - Ken Williams, MD

Close of Day 1

Friday, October 25th Sessions

7:00 – 8:00 AM Breakfast, Exhibits & Posters

8:00 – 9:00 AM Concurrent Breakout Sessions

Breakout A **Intracerebral Hemorrhage: Best Practices and Research Updates**
• J. Mocco, MD
• Magdy Selim, MD

Breakout B **Stroke Care in the Digital Age: Tele-Stroke & Care Transformation**
• Adam Landman, MD
• Jennifer Majerisk, MD

Breakout C **Where Are We? Mechanics of Triage & Transfer**
• Opeolu Adeoye, MD
• Edward Jauch, MD

9:00 – 9:30 AM Break, Exhibits & Hotel Check-Out

9:30 – 10:30 AM The Debate Stage

9:30 - 10:00 AM **Who to Scan? Advanced Imaging for Suspected Stroke Patients**
• Mahesh Jayaraman, MD
• Michael Lev, MD

10:00 - 10:30 AM **Do or Don't with DOAC Reversal Agents?**
• Truman Milling, MD
• Jane Morris, MD

10:30 - 10:50 AM C. Miller Fisher, MD Award & Keynote Address

10:00 - 10:30 AM **C. Miller Fisher, MD Neuroscience Visionary Recipient Address: Blood Flow and Cognition**
• Randy Marshall, MD

10:50 - 11:05 AM American Heart Association Community Conscience Award

10:50 - 11:05 AM **American Heart Association Community Conscience Award**
• Tedy Bruschi

11:05 AM - 12:00 PM **3rd Annual Stroke Tank: Pitch it to the Judges!**™

11:05 AM - 12:00 PM **3rd Annual Stroke Tank: Pitch it to the Judges!**™
• Research proposals presented during this session will focus on Systems of Care. Based on a panel of expert judges, one proposal will win additional funding to further their research.

Close of Day 2

Learning Objectives

1. Identify advances in evidence-based care for the prevention, diagnosis, treatment and management of the acute stroke patient, to include implications of recent clinical trials.
2. Review and recognize emerging technologies and practices related to identification, treatment, rehabilitation and continued care of stroke patients.
3. Identify best practices in pre-hospital triage and interfacility transfer of stroke patients.
4. Explain infrastructure initiatives, such as legislative and community efforts and regional implementation of protocols, to support local stroke systems of care.
5. Review advanced imaging practices for suspected stroke patients.
6. Discuss pharmacologic advances, practices and implication in the treatment and management of stroke.
7. Describe best practices and implications of efficient, regional stroke systems of care.
8. Discuss best practices in acute and post-acute care of stroke patients across the continuum of care for nursing and allied health professionals.

Call for Abstracts

The NECC strives to improve stroke systems of care and reduce disparities throughout the northeast. In doing so, the Annual Summit offers an opportunity to showcase local work focused on improving care across the entire continuum. Submitted abstracts should highlight innovative process and practices which have been implemented to improve care in your local setting.

Instructions for Submitting an Abstract

- Abstract submissions will be reviewed by The NECC Planning Committee and notifications will be sent to all applicants in August
- Expenses associated with the submission and presentation of an abstract, including registration, are the responsibility of the presenter.
- Abstracts selected will be published on The NECC Website.

Submitting Your Abstract - **DUE JULY 12, 2019**

- To submit your poster abstract, please complete the [Poster Abstract Application](#).

For additional information please visit TheNECC.org or email NECC@heart.org.

14th Annual NorthEast Cerebrovascular Consortium Summit

10/23/2019 - 10/25/2019 • Boston, MA

Joint Accreditation Statements

In support of improving patient care, this activity has been planned and implemented by The American Heart Association and The NorthEast Cerebrovascular Consortium. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA Credit Designation Statement - Physicians

The American Heart Association designates this live activity for a maximum of 10.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA Credit Acceptance Statement – Physician Assistants

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 10.50 hours of Category I credit for completing this program.

AANP Credit Acceptance Statement – Nurse Practitioners

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by the ACCME.

***AMA Credit must be claimed within 6 months of attendance. Credit will no longer be available to claim after April 25, 2020.*

ANCC Credit Designation Statement - Nurses

The maximum number of hours awarded for this CE activity is 10.50 contact hours.

***ANCC Credit must be claimed within 6 months of attendance. CME/CE will no longer be available to claim after April 25, 2020.*

Continuing Education Accreditation – Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE), for 10.50 Advanced CEHs, activity number 19-AMHA-F1-0039.

By claiming CAPCE credit, the claimant acknowledges the following: I understand that the American Heart Association as a requirement of CAPCE accreditation will submit a record of my course completions to the CAPCE AMS. I further understand that my course completion records may be accessed by or shared with such regulators as state EMS offices, training officers, and NREMT on a password-protected, need-to-know basis. In addition, I understand that I may review my record of CAPCE-accredited course completions by contacting CAPCE.
